Page breaks

```
h1, h2 { page-break-after: avoid }  
pre { page-break-inside: avoid }
```

```
.slide { page-break-after: always }
```

Page layout

```
@page {  
    size: A4 portrait;  
    size: 210mm 297mm;  
    margin: 2cm;  
}  
@page :left { margin-right: 4cm }  
@page :right { margin-left: 4cm }
```

Named pages

```
table {  
    page: landscape-table;  
}  
@page landscape-table {  
    size: A4 landscape;  
    size: 297mm 210mm;  
}
```

Headers & footers: *page-margin boxes*

```
@page {  
  @top-center {  
    content: 'Awesome title';  
  }  
}
```

Headers & footers: *page-margin boxes*

```
@page {  
    @bottom-center {  
        content: counter(page) ' / '  
                counter(pages);  
    }  
}  
@page :first {  
    @bottom-center { content: none }  
}
```

Length units

Relative:

% em ex ch rem
vw vh vmin vmax

Absolute:

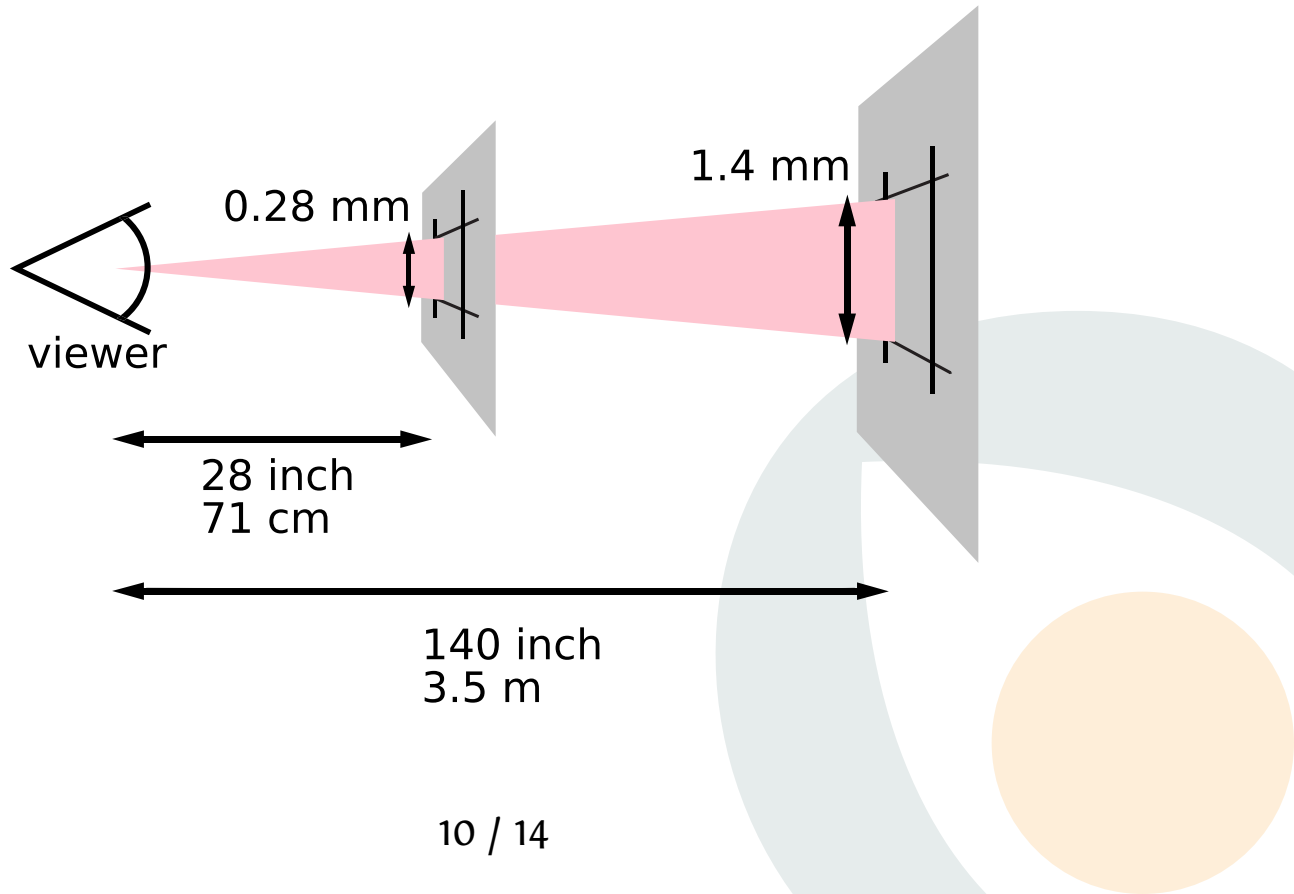

in cm mm pt pc px

Absolute length units

————	1in
————	2.54cm
————	25.4mm
————	6pc
————	72pt
————	96px

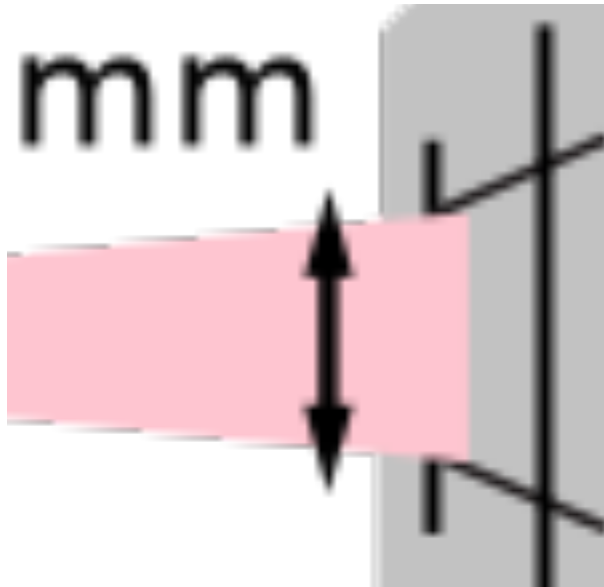

Reference pixel

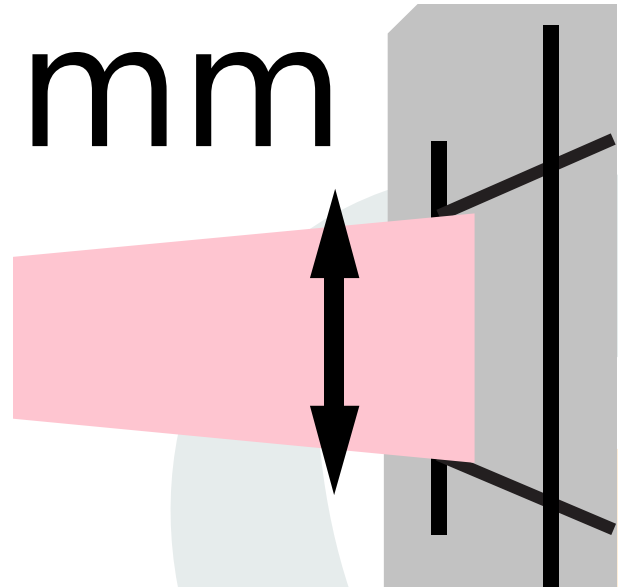

Vectors graphics

PNG (500×360px)

SVG

SVG with PNG fallback

```
<object data=kozea-logo.svg>  
  <img src=kozea-logo.png  
    alt=Kozea>  
</object>
```

Images sizing

- Specify `width` and `height`
- Specify only `width`, aspect ratio is preserved.
- Default: `image-resolution: 1dppx`
